

Cookies Policy

This Cookies Policy is an integral part of the Legal Notice and Privacy Policy of ACEITES, VINOS, Y ALCOHOLES, S.A. Access to and navigation on the site, or the use of its services, imply acceptance of the General Conditions established in our Legal Notice (and therefore of the Privacy Policy and Cookies Policy). Please read them carefully.

Thank you for choosing to visit us. We want your experience on the site to be the best possible, and for that reason we have written this Cookie Policy in the most transparentway possible.

What is a Cookie?

Cookies are files that contain small amounts of information that are downloaded to the user's device that is used when visiting a website. Its main purpose is to recognize the user each time he accesses ACEITES, VINOS, Y ALCOHOLES, S.A and allows us, in addition, to improve the quality and usability of our website.

Cookies are essential for the functioning of the Internet; they cannot damage the user's equipment/device and, if they are activated in theconfiguration of your browser, they help us to identify and resolve possible operating errors of www.vinumar.es.

Types of Cookies	There are different types of cookies. They all work in the same way, but have small differences:	
Session Cookies	Session cookies last only for the duration of your visit and are deleted when the browser is closed. Its main purpose is to identify the type of device, support the security of the website or its basic functionality. They do not contain personal information that allows us to identify an individual.	
Permanent Cookies	They are stored on the hard drive of the device and our website reads them every time a new visit is made to www.vinumar.es; they have a determined expiry or prescription date, which once fulfilled the cookie stops working. They allow us to identify your actions and preferences; analyze visits and help us understand how users come to our site and improve our services.	
Functionality Cookies	They enable www.vinumar.es to remember choices made by the user, such as his login or identifier. The information collected by these is anonymized (i.e., it does not contain your name, address, or other data).	
Third-Party Cookies	Third-party cookies are cookies installed by a website that is not the one you are visiting; for example, those usedby social networks (such as Facebook) or by external content plug-ins (such as Google Maps). What's more, some advertising companies use these types of files to track their visits on each site on which they advertise.	
Analytical Cookies	These are cookies whose purpose is periodic maintenance and guarantee the best functioning and service to the user; collecting data from his activity.	

Use of Cookies	By accessing www.vinumar.es, you expressly accept that we can use this type of cookies on your devices. If you disable cookies, your navigation through http://www.vinumar.es may not be optimal and some of the utilities available at www.vinumar.es may not work correctly.		
Own cookies	In order to recognize you and provide you with a better service, our site uses own cookies (small text files that your browser stores). The advantages of accepting our cookies allow for a time saving. They can also be used to recognize you between successive visits and thus adapt the content shown to you, to obtain information about the date and time of your last visit, measure some traffic parameters within the site itself, and estimate the number of visits made, so that we can focus and adjust services and promotions more effectively. No cookie allows to contact your phone number, email address or any other means of contact. No cookie can extract information from your hard drive or steal personal information.		
	Cookie	Expiration	Function
	gatsby-gdpr	1 year	They are used to control the appearance and acceptance of the cookie management notice itself.

Third-Party Cookies: Google Analytics	The site uses the Google Analytics service, which is provided by Google, Inc., an entity whose main office is at 1600 Amphitheatre Parkway, Mountain View (California), CA 94043, United States ("Google"). Google Analytics uses cookies to help us analyze how users use the site. The information generated by the cookie about the use of the site (including your IP address) will be directly transmitted to you and stored by Google on its servers in the United States. Google will use this information on our behalf for the purpose of tracking your use of the site, compiling reports on site activity and providing other services related to site activity and Internet usage. Google may transmit such information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. If you wish, you can refuse the processing of data or information by rejecting the use of cookies by selecting theappropriate settings of your browser. However, if you do, you may not be able to use the full functionality of thissite. By using this site, you consent to the processing of your information by Google in the manner and for the purposes indicated above.			
	Cookie	Owner	Expiration	Function
	_ga_7S5GWG9HH	Google	Session	They are used to generate a unique user identifier, used to count how many times a user visits the site, as well as the date of the first and last time they visited the web. They record the date and time of access to any of the portal pages. They check the need to keep a user's session open or create a new one. They identify the user's session, to collect the approximate geographical location of the computer that accesses the portal.
